It's our absolute pleasure to warmly welcome you into our dance family at The Vitality Place. Our team is thrilled to see many familiar faces return to the studio and even more excited to see some new faces join our community. While we would love you to take the time to read this information carefully and keep your handbook in a safe place to refer to as you need, don't forget that our friendly office staff are always here to help and will happily answer any queries you may have. Nothing is too big or too small, we promise! 😊

6. Code of Conduct

To ensure the smooth, safe running of The Vitality Place and an enjoyable experience by all, below you will find our code of conduct. As always we are open to feedback, so if any of the requirements outlined below are unclear or concerning, please give us a call to discuss further. Following a formal meeting, we do reserve the right to dismiss or take disciplinary action on any students or parents who breach our studio's code of conduct.

Families who do not comply with their fee or costume payment obligations may be charged a late fee, and/or excluded from performances. External debt collection may occur when fees remain overdue and this will be at the expense of the client. Costume expenses are the responsibility of the parent, and costumes will not be issued to students with unpaid class fees.

No classes (including private lessons) or teachers are to be disturbed unless it is an emergency. Parents are not to approach teachers or students during class as it can be a big distraction to dancers and teachers. We encourage parents with dancers who are 6 years old and up to wait outside of the studio so that the space doesn't get too crowded. Parents of our younger dancers 3-5 can wait in our waiting area until the dancer feels comfortable in the studio by themselves. We do not allow parents to watch as it gets very distracting for our dancers.

We are unable to take responsibility for our students before or after their scheduled classes and it is the responsibility of the parent to ensure their child is picked up and dropped off on time. In the case of an emergency or unavoidable delay, please contact the studio immediately to inform us of the situation so we can keep your child calm and safe until they can be collected.

In the rare case of a parent or student showing disrespect or defamation to any parent, staff member or student, a meeting will be called immediately and dismissal may be considered at the discretion of the principal. Physical, mental, emotional or cyber bullying by parents, staff or students will not be tolerated and may result in dismissal from the studio.

The Vitality Place takes no responsibility for any stolen or misplaced property on the studio premises and we encourage our families to avoid bringing valuable items into the studio where possible. We will place any items left behind in lost and found. If we find items of higher value (jewelry, airpods, cell phones, etc.) we will hold onto it until the person it belongs to contacts us about the missing item.

The Vitality Place management reserves the right to change teachers or timetabling when necessary, at any time throughout the year. You will be notified of any changes in the schedule. We do our best to keep it consistent but may have changes at the beginning of the year due to enrolment.

Choreography, costuming and studio policies remain the intellectual property of The Vitality Place and may not be reproduced or sold by any students, parents or staff without permission of the director.

7. Class Descriptions & Age Groups

Ages 3-5

Pre Ballet: Pre Ballet is an introduction to classical ballet. They will learn the 5 ballet positions as well as basic ballet moves and terms such as pli  , arabesque, pass  , saut  , tendu, etc. We practice ballerina walks on our tippy toes, gallops, skips, etc.

Pre Tap: Pre Tap is a class where your child will be learning super fun basic tap skills in an imaginative way while also learning rhythm. They will learn steps including toe-heel, heel-toe, stamps and shuffles, flaps, etc. as well as making as much noise as they can in our fun, safe and educational environment.

Baby Bop: Baby Bop is an introduction to hip hop! The music for this class is fun and familiar to them and expands on things such as balance, rhythm, body awareness, etc. We do some warming up, and stretching, and learning fun moves as well as putting together a dance for the recital at the end of the season. This class may involve pretending to be animals, clapping to the beat to learn rhythm, learning balancing, skipping etc. This class is suitable for both boys and girls who are having so much fun that they don't even realise that they are learning the fundamentals of dance technique along the way.

Pre Cheer: This class will teach you everything cheer! There will be an introduction to basic tumbling such as forward rolls, hand stands, cartwheels, bridges, etc. You will also learn cheer motions: high v, low v, T, broken T, daggers, K. They will learn cheer jumps: tuck jump, toe touch, pike jump, and herkies. Be ready to learn from former New England Patriots Cheerleader Captain, Nicole. Bring lots of energy and tons of sass!

Ages 6+

Ballet: Ballet will teach you the French ballet vocabulary, and technique for correct body placement. Ballet is the foundation for all other genres of dance, and therefore it is highly recommended. Ballet will be studied through barre, center, and allegro work.

Jazz: Jazz students are building on the basics of jazz technique to popular and age appropriate music. Jazz uses sharp and fluid movements to create a visually technical dance and style. In this class you will learn body isolations, turning, leaping, jumping and technical jazz steps. Be ready to get sassy!

Tap: In this class students would be learning the basics of tap technique as well as building on their sense of rhythm and their confidence when it comes to performances. Our tappers love dancing to popular, age-appropriate music and getting LOUD! Tap dance is a rhythmic form of dance which focuses on musicality and sounds. You will learn many combinations and steps that create different and unique sounds as the tap shoes strike the floor.

Acro & Tumbling: We've known for a long time that kids love nothing more than attempting and perfecting new tricks. Remember learning a cartwheel? We sure do, and it's that sense of pride and exhilaration that we love to pass on to all students. Our Acro & Tumbling class is taught by former New England Patriots Cheerleader Courtney Lamont who has lots of experience spotting and teaching Acro and tumbling. This class works on the basics: forward rolls, handstands, cartwheels, round offs, back bends, and front walkovers and then as the individual progresses they will be able to start working on

more advanced skills such as aerals, back handsprings and back tucks. For individualized skill building we recommend setting up a private with either Miss Courtney or Miss Nicole to get one on one attention, instruction, and spotting. Private lessons are \$75/ hr or \$40/ half hour and can be scheduled via email nicole@thevitalityplace.net.

Tricks, Turns, and Technique: In this class, we focus on different kinds of turns, jumps, leaps & kicks including more complicated combinations across the floor and center floor. Be ready to challenge yourself with fun, new and exciting tricks and turn combos!

- Leaps in second, calypso leaps, surprise leaps, switch leaps, and more!
- Single, double and triple pirouette turns, a la seconde turns
- Battements, fan kicks, tilts, and Nfl Cheerleading style kickline drills

Contemporary: Contemporary dance is a style of expressive dance that combines elements from modern, jazz, lyrical and classical ballet. In this class, you will strive to connect the mind and the body through fluid dance movements. This class allows you to express your soul and different emotions through movement. Contemporary is commonly seen on So You Think You Can Dance! This style uses unique softer music (think Ben Howard or Dermot Kennedy). Ballet training is highly encouraged before or while taking this class.

Lyrical: Lyrical dance is a style that combines ballet and jazz dancing techniques. It is performed to music with lyrics so that it inspires the expression of emotions that choreographer feels from the lyrics of the song. This style concentrates on an individual approach and expressiveness of such emotions as love, joy, hurt, or anger. It is often a soft and graceful movement and is similar to contemporary dance. We have our younger students take lyrical as an introduction for contemporary. Ballet training is highly encouraged before or while taking this class.

Hip Hop: Hip Hop classes are designed for dancers both with or without formal dance training. You will be in an upbeat class that will focus on rhythm, isolations, freestyle, and choreography similar to what you see in music videos. The music will be current and old school to bring a new vibe to every class!

8. Safety

With the safety of our families a number one priority, The Vitality Place is very serious about upholding Child Protection laws and policies within the studio as well as at public performances and in the online arena (website and social media).

As part of your registration, you will have read and signed a media waiver allowing us to proudly use images and video footage of your child for advertising and promotional purposes.

The directors and staff at The Vitality Place are educated in the negative impact of inappropriate music and costume selection when it comes to performing dance routines and are wholeheartedly committed to ensuring children in all of our dance routines are not subjected to any inappropriate songs or costuming. We recognise that songs with sexist, explicit, violent, racist, homophobic or criminal content may influence our dancers and/or audience and will strive to avoid using any such music. We are committed to choosing fun, age-appropriate costumes that suit all body types so that all of our dancers feel comfortable and confident.

Our staff members have been trained in first aid. We enforce a nut-free policy at the studio to ensure the safety of any students or parents with allergies to nuts or nut products.

The Vitality Place takes no responsibility for any stolen or misplaced property on the studio premises and we encourage our families to avoid bringing valuable items into the studio where possible.

11. Dress Code

At The Vitality Place, we believe that wearing studio dress code gives students a sense of belonging to our dance family as well as creating a clean and professional identity for our studio in the greater community.

Our dress code also:

- Encourages discipline
- Help students resist peer pressure to buy stylish clothes for class
- Help identify non-students in the studio
- Diminish economic and social barriers between students
- Increase a sense of belonging and studio pride
- Improve attendance

Dress code items can be purchased year-round from the studio or a dancewear store.

Please ensure all parts of your child's uniform are clearly labelled - individual shoes, leotards, shirts, etc. you'll be amazed at the amount of lost property we generate!

It's important for students abide by a dress code policy for the following reasons:

We offer the following options for fee payment:

Upfront Payment in full – you will receive 5% off of your yearly tuition if you pay in full upfront. Payment options include cash, or card payments.

Overdue fees will accrue a late fee of \$10 per week that it is past due and if fees remain unpaid in week 4 of classes students will not be permitted to participate in their lessons. Communication is everything to us. We understand that sometimes things happen and we are here to help! Please communicate with us if any payment issues arise so we can be on the same page.

Automatic Payments – This is our most popular and simplest payment method, in which you may choose to pay your fees in monthly installments through our automatic payments. We are able to change the card at any point in the season if needed. Payment will automatically process on the 1st of each month. This is similar to a gym membership or any other monthly subscription.

Please note: All monthly payments are based on a 9-month season so your invoice will be the same each month unless you change class numbers. If you decide to withdraw from classes mid-season for any reason, you will be charged at \$50 cancellation fee. We take the total yearly tuition for the approximately 35 weeks of the school year and divide it into nine monthly payments, which are due the first of each month. Monthly tuition remains the same whether it is a long (5 week) or short (3 week) month and regardless of absences. Tuition is set up online via Autopay to keep things easy to track for you. The card on file will automatically be charged on the 1st of each month. Every member receives their own account where they can view the schedule, and all past and future bills. There are no tuition refunds for withdrawal from class during any given month. If you elect to pay via cash, it is still due on the first of every month, so make sure to plan ahead. If the payment is received after the due date an additional late fee of \$10 will be charged for each week that it is late.

Refunds will not be issued for missed classes due to cancellation or public holiday – where possible, we will endeavour to arrange make-up lessons for classes cancelled more than once due to snow storms.

13. Attendance

Your child's attendance in class is very important to their peers and our teaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences impact the recital routines we create, it also impacts the social and confidence-building principals we work hard to foster in each age group.

If you know ahead of time that your child will be absent due to holidays/vacations, commitments or school trips, please let us know ahead of time so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform us as soon as you can so they can let the teachers know and preparations can be made.

Unfortunately, we are unable to accommodate make-up sessions for students who miss classes, but will make every endeavour to schedule a catch-up class in the unlikely event that The Vitality Place needs to cancel a lesson.

14. Our Teachers / Faculty

Finally, it's our pleasure to introduce our hand-picked faculty for 2021-2022 season! Our enthusiastic, passionate and dedicated teachers are thrilled to be a part of your family's dance journey this year. We are truly looking forward to growing together to mould this generation of skilled, confident, genuine and unique performers.

Nicole Manelas

Owner/Founder

Nicole's studio owning dreams were inspired when she began choreographing dances to Britney Spears, and Christina Aguilera for her sister, cousin, and friends to perform at slumber parties. It has always been a dream of hers to share this love and passion for dance with others. Nicole danced from age 3 through high school, and then went on to dance in college. She was on the Endicott College Dance Team for two years and competed at UDA Nationals at ESPN Worldwide sports arena twice. She also completed a minor in dance taking courses in modern dance, jazz dance, choreography, dance teaching methods, ballet, dance history, world dance cultures, and more. She performed in 4 dance ensemble shows and 2 student choreography showcases during her college years.

In 2015, Nicole was one of 18 dancers selected out of a group of over 400 young women auditioning for a cheerleading position with the New England Patriots. She completed 4 seasons with the New England Patriots cheerleaders and had been a line captain for 3 of those years. As a part of the Patriots Cheerleaders, she performed at all New England Patriots home games and participated in numerous promotional appearances and special events on behalf of the organization. She traveled to the Dominican Republic, the Bahamas, Aruba and St. Maarten to pose for the New England Patriots Cheerleaders Swimsuit Calendars as well as dance in shows for the resort and hotel guests. She was also one of 8 women to be selected to travel to Mexico City to perform in 2017 for the Patriots vs. Raiders game. Nicole had the privilege to perform at THREE Super Bowls; LI, LII and LIII. Two of her favorite moments in her life came from cheering on the sidelines of Super Bowl LI & LIII. Watching the Patriots make history in Super Bowl LI by coming back to win from the largest deficit in Super Bowl history and also being the first Super Bowl to go into overtime was indescribable. She had danced in Red, White, and Blue Confetti not once but twice! Those moments make her feel extremely grateful to have dance bring her such wonderful life experiences. It was through this professional dance position that she also found her love for fitness.

Nicole is a level 1 & 2 IBBFA Certified Barre instructor. IBBFA Barre Certification is the internationally-recognized 'gold standard' in barre education, and IBBFA is the only organization working to create universally-accepted standards for barre instruction certification. The IBBFA certification is accredited by more fitness associations around the world than any other barre certification out there. Nicole is a Yoga Girl 200 hr RYT Yoga Alliance certified teacher. She trained under Rachel Brathen (AKA Yoga Girl), a New York Times best-selling author, serial entrepreneur, and international yoga teacher living in Aruba. Nicole spent 23 days in Aruba for her 200 hour yoga teacher training. This program is very prestigious and only
