

DRESS CODE

At The Vitality Place, we believe that wearing studio dress code gives students a sense of belonging to our dance family and creates a clean and professional identity for our studio in the greater community. Our dress code also:

- Encourages discipline
- Help students resist peer pressure to buy stylish clothes for class
- Help identify non-students in the studio
- Diminish economic and social barriers between students
- Increase a sense of belonging and studio pride
- Improve attendance

Dress code items can be purchased year-round from the studio or a dancewear store.

Please ensure all parts of your child's uniform are clearly labelled - individual shoes, leotards, shirts, etc. you'll be amazed at the amount of lost property we generate!

It's important for students abide by a dress code policy for the following reasons:

- A neat and tidy appearance sets an attitude of attentiveness and respect for students, teacher, and the art of dance.
- Teachers must be able to see the dancer's body outline clearly in order to make proper corrections on posture, alignment, etc.
- Hair must be properly secured and tied up off of the face and neck for all styles of dance. Hair must be in a bun for all ballet classes.
- Jewelry must not be loose or dangling.
- Gum chewing is not allowed due to danger of choking and appearance.
